

# WELCOME

## Welcome to the Citizen Information Meeting for the Hampton Roads Crossing Study (HRCS) Supplemental Environmental Impact Statement (SEIS).

### The goals of this meeting are:

- To obtain your input on issues that should be considered in the SEIS
- To share information that is available at this early stage of the study

Representatives from VDOT are available to answer your questions and listen to your thoughts and concerns.

### Study Background:

- This study will re-evaluate the 2001 Hampton Roads Crossing Study EIS.
- The 2001 study has been re-evaluated twice, including a 2013 re-evaluation that examined Patriot's Crossing.
- This study will also will consider the analysis conducted during the Hampton Roads Bridge-Tunnel Location Study (2012) that was documented in a Draft EIS.
